Due to the diversity of CHGP Group, it is anticipated that CHGP Group would, in the normal course of business, continue to enter into transactions with the Related Parties, details of which are set out in Section 2.4 below. It is likely that such transactions will occur with some degree of frequency and could arise at any time.

The Board proposes to seek the shareholders' approval for the Proposed Shareholders' Mandate for the CHGP Group to enter into transactions in the normal course of business within the classes of Related Parties set out in Section 2.4 below, provided such transactions are entered into at arm's length and on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders. Such mandate will enable the Group to enter into the RRPTs without the necessity, in most instances, to

make the otherwise required announcement or to convene meetings in order to procure specific prior approval of its shareholders. The RRPTs will also be subject to the review procedures set out in Section 2.5 below.

2.3 Validity Period of the Proposed Shareholders' Mandate

The Proposed Shareholders' Mandate, if approved by the shareholders, shall take effect from the passing of the ordinary resolution proposed at the forthcoming AGM and shall continue to be in force until:

- (a) the conclusion of the next AGM of CHGP following the general meeting at which such mandate was passed, at which time it will lapse, unless by a resolution passed at the general meeting, the mandate is renewed;
- (b) the expiration of the period within which the next AGM of the Company after the date is required to be held pursuant to Section 340 (2) of the Act (but shall not extend to such extension as may be allowed pursuant to Section 340 (4) of the Act); or
- (c) revoked or varied by resolution passed by the shareholders in general meeting,

whichever is earlier.

Thereafter, approval from shareholders will be sought for the renewal of mandate for CHGP Group to enter into RRPTs of revenue or trading nature.

2.5 Review Methods or Procedures for the Recurrent Related Party Transactions

CHGP Group has established various methods and procedures to ensure the RRPTs are undertaken on transaction prices and at arms' length and on normal commercial terms, which are consistent with CHGP Group's usual business practices and policies, on terms which are not more favourable to the Related Parties than those extended to the public and are not detrimental to the minority shareholders.

The review and disclosure procedures are as follows :

- (i) The Related Parties, interested Directors and persons connected will be advised that they are subject to the shareholders mandate and will also be advised of the review and disclosure procedures;
- (ii) The transaction prices, terms and conditions which are market driven are to be determined at arms' length on a customer/supplier relationship basis at mutually agreed rates after due consideration of benefits to be derived from the transaction, under similar commercial terms for transactions with unrelated third parties, which depend on demand and supply, quality, level of service and other related factors;
- (iii) Some transactions may be on a cost recovery basis, being recovery of part of the costs for sharing or provision of some services or on a negotiated basis where both parties would contract on terms which are mutually acceptable and beneficial; ^(a)
- (iv) The management of the CHGP Group is cognisant that all RRPTs are required to be undertaken on an arm's length basis and on normal commercial terms. Where practicable and feasible, quotation and/or tenders will be obtained from at least two (2) other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the Related Parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of produces/services and/or quantities. In the event that quotation or comparative pricing from unrelated third parties cannot be obtained, the transaction price will be determined by the Group based on those offered by/to other unrelated parties for the same or substantially similar type of transaction to ensure that the RRPTs are not detrimental to the Group;
- (v) Where RRPT is one with a value equal to or in excess of RM1.0 million or 1% of the applicable percentage ratio as stated in the Listing Requirements (whichever is higher), it will be reviewed by the Audit Committee and recommended to be approved by the Board of Directors who has no interest in the transaction. Where the RRPT is one with a value below RM1.0 million or 1% of the applicable percentage ratio as stated in the Listing Requirements (whichever is higher), it will be reviewed and approved by any one (1) of the Executive Director or the Board who has no interest in the transaction;
- (vi) If a member of the Board or of the Audit Committee has an interest, as the case may be, he/she shall declare their interest in transaction and abstain from any decision making by the Board or Audit Committee in respect of the said transactions;

- (vii) The Audit Committee shall amongst others, review any RRPT and conflict of interest situation that may arise within the Group including any transaction procedures or course of conduct that raises questions of management integrity;
- (viii) Records will be maintained by the respective companies to capture all RRPTs which are entered pursuant to the shareholders' mandate;
- (ix) The Audit Committee shall review on a quarterly basis any related party transaction that may arise within the Company or the Group to ensure that such transactions will be carried out at arm's length, on normal commercial terms, on terms not more favourable to the Related Parties than those generally available to the public and on terms not detrimental to the minority shareholders;
- (x) The Board and Audit Committee shall review the internal audit reports to ascertain that the guidelines and procedures to monitor RRPTs have been complied with; and
- (xi) The Board shall have overall responsibility for the determination of the review procedures. If a member of the Board and Audit Committee has an interest in the transaction to be reviewed by the Board and Audit Committee, as the case may be, he will abstain from any decision making by the Board or Audit Committee in respect of the said transaction.

Note :

^(a) Transactions such as provision of project management services, property management services, marketing services and other related management services are on a cost recovery basis, being recovery of part of the costs for sharing or provision of some services or on a negotiated basis where both parties would contract on terms which are mutually acceptable and beneficial.

2.6 Amount Due and Owing Under Recurrent Related Party Transactions

As at the financial year ended 31 December 2022, there is no amount due and owing to CHGP Group which has exceeded the credit term given arising from the RRPT(s) as per Section 2.4.

2.7 Statement by Audit Committee

The Audit Committee has the overall responsibility of determining whether the procedures for reviewing all RRPTs are appropriate. The Audit Committee will review and ascertain at least once a year whether the procedures established to monitor RRPTs have been complied with. If it is determined that the procedures stated in Section 2.5 are inadequate to ensure that (i) the RRPTs will be conducted at arms' length and on normal commercial terms and (ii) such transactions are not prejudicial to the interest of the shareholders, the Company will obtain a fresh shareholders' mandate based on the new procedures.

The Audit Committee will also have the discretion to request for limits to be imposed or for additional procedures to be followed if it considers such requests to be appropriate. In that event, such limits or procedures may be implemented without the approval of shareholders, provided that they are more stringent than the existing limits or procedures.

The Audit Committee of the Company has seen and reviewed the procedures set out in Section 2.5 above and is of the view that CHGP has in place adequate procedures and processes to monitor, track and identify RRPT(s) in a timely and orderly manner. The Audit Committee is of the opinion that review procedures are satisfactory and the RRPTs will be carried out at arms' length and in accordance with CHGP Group's normal commercial terms. Hence, will not be prejudicial to the shareholders or disadvantageous to CHGP and not more favourable to the Related Parties than those generally available to the public and not detrimental to minority shareholders of CHGP. The review of these procedures and processes is carried out at least once a year or when deemed necessary by the Audit Committee.

2.8 Disclosure of Recurrent Related Party Transactions

Disclosure will be made in the annual report of the Company in accordance with Paragraph 3.1.5 of Practice Note 12 of the Listing Requirements, which requires a breakdown of the aggregate value of the RRPTs entered into during the financial year based on the following information :

- (a) the type of the RRPTs made; and
- (b) the names of the Related Parties involved in each type of the RRPTs made and their relationships with CHGP Group.

The above disclosure will be made in the Company's annual report for each subsequent financial year after the Proposed Shareholders' Mandate had been obtained.

3. RATIONALE FOR THE PROPOSED SHAREHOLDERS' MANDATE

The Proposed Shareholders' Mandate will enable the CHGP Group to carry out RRPTs necessary for the Group's day-to-day operations, which are time sensitive in nature, and will eliminate the need to announce and convene separate general meetings (if applicable) from time to time to seek shareholders' mandate for such transaction. This will substantially reduce the expenses, time and other resources associated with convening of general meetings on an ad hoc basis, improve administrative efficiency and allow financial and manpower resources to be channeled towards attaining other corporate objectives.

The RRPTs carried out within the CHGP Group creates mutual benefits for the companies in the Group, such as expediency and increased efficiency necessary for day-to-day operations.

In addition, CHGP Group has a long-standing business relationship with the Related Parties. The Board of CHGP is of the view that the close co-operation and strong working relationship that exist between CHGP Group and the Related Parties have over the years enabled CHGP Group to benefit from better services and attention that would otherwise be derived from third parties. These close relationships have allowed for better control of supplies, quality and timeliness of completion of work done / services rendered.

4. EFFECTS OF THE PROPOSED SHAREHOLDERS' MANDATE

The Proposed Shareholders' Mandate will not have any material effect on the share capital of the Company as well as the consolidated NA, gearing, EPS and the shareholdings of the substantial shareholders of CHGP.

5. INTEREST OF DIRECTORS / MAJOR SHAREHOLDERS

To : The Shareholders of CHGP

Dear Sir/Madam,

PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

1. INTRODUCTION

At the Twentieth (20th) AGM of the Company held on 3 June 2022, the Company had obtained the approval of its shareholders to purchase up to ten percent (10%) of the total number of issued shares of the Company at any point in time. The aforesaid shareholders' approval for the Company to purchase its own shares is subject to the annual renewal and will lapse at the conclusion of the forthcoming AGM unless such authority is renewed by an ordinary resolution passed at the general meeting.

On 20 April 2023, the Board had announced that CHGP proposed to seek the approval of its shareholders for the renewal of the authority for the Company to purchase up to 10% of the total number of issued shares of the Company. The Proposed Renewal of Share Buy-Back Authority is subject to compliance with Section 127 of the Act and any prevailing laws, orders, requirements, guidelines, rules and regulations issued by any relevant authorities at the time of purchase.

The purpose of this Circular is to provide you with the relevant information of the Proposed Renewal of Share Buy-Back Authority and to seek your approval on the ordinary resolution pertaining to the Proposed Renewal of Share Buy-Back Authority to be tabled at the forthcoming AGM, which will be held and conducted by way of virtual meeting entirely through live streaming via Remote Participation and Voting (“RPV”) Facilities from the broadcast venue at Chin Hin Culture Centre, No. F-0-1 and F-0-2, Pusat Perdagangan Kuchai, No. 2, Jalan 1/127, Off Jalan Kuchai Lama, 58200 Kuala Lumpur on Tuesday, 30 May 2023 at 2.00 p.m. The notice of the AGM together with the Form of Proxy is enclosed in the Annual Report of the Company for the financial year ended 31 December 2022.

SHAREHOLDERS OF CHGP ARE ADVISED TO READ AND CONSIDER THE CONTENTS OF THIS CIRCULAR CAREFULLY BEFORE VOTING ON THE ORDINARY RESOLUTION PERTAINING TO THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY AT THE FORTHCOMING 21ST AGM.

2. DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

2.1 Proposed Renewal of Share Buy-Back Authority

The Board is proposing to seek the shareholders' approval for the renewal of the authority for the Company to purchase its own Shares for an aggregate amount of up to ten percent (10%) of the total number of issued shares at any point in time.

For illustrative purposes, as at LPD, the total number of issued shares of CHGP stood at 498,009,456 ordinary shares (including the 700,000 CHGP Shares held as treasury shares as at LPD). Based on assumption that all outstanding warrants of 24,521,544 as at LPD have been exercised into new CHGP Shares, the maximum number of shares that can be purchased pursuant to the Proposed Renewal of Share Buy-Back Authority is 52,253,100 CHGP Shares which would include the 700,000 CHGP Shares already held as treasury shares.

The Proposed Renewal of Share Buy-Back Authority, once approved by the shareholders, shall take effect from the passing of the ordinary resolution pertaining thereto at the forthcoming AGM and shall continue to be in force until:

- (a) the conclusion of the next AGM of the Company following the general meeting at which such resolution is passed, at which time the authority will lapse unless renewed by ordinary resolution, either unconditionally or subject to conditions; or
- (b) the expiration of the period within which the next AGM of the Company is required by law to be held; or
- (c) the authority is revoked or varied by ordinary resolution passed by the shareholders of the Company in general meeting,

whichever occurs first.

The Proposed Renewal of Share Buy-Back Authority does not impose an obligation on the Company to purchase its own Shares. Rather, it will allow the Board to exercise the power of the Company to purchase its own Shares at any time within the abovementioned time period.

2.2 Maximum Amount of Funds to be Allocated and the Source of Funds

The Listing Requirements stipulate that the proposed purchase by a listed company of its own shares must be made wholly out of retained profits of the listed company. Therefore, the maximum amount of funds to be allocated for the Proposed Renewal of Share Buy-Back Authority shall not exceed the amount stated in the retained profits of the Company. Based on the latest audited financial statements of the Company for the financial year ended 31 December 2022, the retained profits of CHGP are as follows:

	Retained Profits (RM)
Audited financial statement as at 31 December 2022	7,802,919.00

The Proposed Renewal of Share Buy-Back Authority will be funded by internally generated funds and/or external borrowings. The amount of internally generated funds and/or external borrowings to be utilised will only be determined later depending on, amongst others, the availability of internally generated funds, actual number of CHGP Shares to be purchased and other relevant factors. The actual number of CHGP Shares to be purchased and/or held, and the timing of such purchases will depend on, amongst others, the market conditions and sentiments of the stock markets as well as the retained profits and financial resources available to the Company. In the event that the Proposed Renewal of Share Buy-Back Authority is to be partly financed by external borrowings, the Board will ensure that the Company has sufficient funds to repay the external borrowings and that the repayment will not have a material effect on the cash flow of the Group.

2.3 Treatment of the Purchased CHGP Shares

The Purchased CHGP Shares will be dealt by the Board in accordance with Section 127 of the Act, in the following manner:

- (i) cancel the CHGP Shares so purchased; or
- (ii) retain the CHGP Shares so purchased as treasury shares and held by the Company; or
- (iii) retain part of the CHGP Shares so purchased as treasury shares and cancel the remainder; or,
- (iv) distribute the treasury shares as dividends to shareholders and/or resell on Bursa Securities and/or cancel all or part of them; or
- (v) transfer all or part of the treasury shares for purposes of an employees' share scheme, and/or as purchase consideration; or

in any other manner as prescribed by the Act, rules, regulations and guidelines pursuant to the Act, the Listing Requirements and other relevant guidelines issued by Bursa Securities and any other relevant authority for the time being in force.

The decision whether to retain the Purchased CHGP Shares as treasury shares, or to cancel the Purchased CHGP Shares or a combination of both, will be made by the Board at the appropriate time. An immediate announcement will be made to Bursa Securities on any purchase of CHGP Shares as well as any resale or cancellation of the Purchased CHGP Shares.

If such Purchased CHGP Shares are held as treasury shares, the rights attached to them in relation to voting, dividends and participation in rights, allotments and/or other distributions are suspended and the Purchased CHGP Shares shall not be taken into account in calculating the number or percentage of shares or a class of shares in the Company for any purpose including determination of Substantial Shareholders, takeovers, notices, the requisitioning of meetings, the quorum for meetings and the result of a vote on a resolution at meetings of the shareholders.

2.4 Purchase/Resale/Transfer Price

Pursuant to the Listing Requirements, the Company may only purchase CHGP Shares at a price which is not more than fifteen percent (15%) above the weighted average market price for the shares for the five (5) Market Days immediately preceding the date of the purchase(s). The Company may only resell or transfer the Purchased CHGP Shares held as treasury shares at a price which is:

- (a) not less than the weighted average share price of CHGP Shares for the five (5) Market Days immediately prior to the resale or transfer; or
- (b) at a discount of not more than 5% to the weighted average share price of CHGP Shares for the five (5) Market Days immediately prior to the resale or transfer provided that:
 - (i) the resale or transfer takes place no earlier than thirty (30) days from the date of the purchase; and
 - (ii) the resale or transfer price is not less than the cost of purchase of the shares being resold or transferred.

The Proposed Renewal of Share Buy-Back Authority and/or resale of the Purchased CHGP Shares shall only be effected on the market of Bursa Securities via its automated trading system and shall exclude any direct business transactions as defined in accordance with the rules of Bursa Securities. The Company shall ensure that all dealing(s) in its own Shares/Purchased CHGP Shares are made through stock broker(s) appointed by the Company.

2.5 Potential Advantages and Disadvantages of the Proposed Renewal of Share Buy-Back Authority

The potential advantages of the Proposed Renewal of Share Buy-Back Authority are as follows:

- (a) The Proposed Renewal of Share Buy-Back Authority would enable the Company to utilise its financial resources more efficiently especially where there is no immediate use and it may strengthen the consolidated EPS of the Group.
- (b) The Proposed Renewal of Share Buy-Back Authority will also provide the Company with opportunities for potential gains if the Purchased CHGP Shares which are retained as treasury shares are resold at prices higher than their cost of purchase.
- (c) In any event, the treasury shares may also be distributed as share dividends to the shareholders as a reward.
- (d) The Proposed Renewal of Share Buy-Back Authority may also stabilise the supply and demand of CHGP Shares traded on Bursa Securities and reduce the volatility of the share prices. The stability of CHGP Shares price is important to maintain investors' confidence and may also assist in facilitating future fund raising via the equity market.

The potential disadvantages of the Proposed Renewal of Share Buy-Back Authority are as follows:

- (a) The Proposed Renewal of Share Buy-Back Authority if implemented is expected to temporarily reduce the immediate financial resources of CHGP Group.

- (b) The Proposed Renewal of Share Buy-Back Authority may also result in the Group foregoing better investment opportunities which may emerge in the future and/or any income that may be derived from other alternative uses of such funds such as deposit in interest bearing instruments.
- (c) The Proposed Renewal of Share Buy-Back Authority may also reduce the amount of resources available for distribution to the shareholders of the Company in the form of dividends as funds are utilised to purchase its own Shares.

Nevertheless, the Proposed Renewal of Share Buy-Back Authority is not expected to have any potential material disadvantages to the Company and its shareholders, as it will be implemented only after careful consideration of the financial resources of the Group and its resultant impact. The Board is mindful of the interest of the Company and the shareholders and will be prudent with respect to the above exercise.

2.6 Public Shareholding Spread

The Proposed Renewal of Share Buy-Back Authority is subject to the compliance with Section 127 of the Act and any prevailing laws, rules, regulations, orders, guidelines and requirements issued by the relevant authorities at the time of the purchase.

As at 31 March 2023, the public shareholding spread of the Company was approximately 29.68%. Assuming all outstanding warrants as at LPD have been exercised into new CHGP Shares, and the Proposed Renewal Share Buy-Back Authority is carried out in full, and the number of CHGP Shares held by the substantial shareholders, Directors and associates of substantial shareholders and/or Directors remain unchanged and all the CHGP Shares so purchased are cancelled, the public shareholding spread of the Company would reduce to approximately 25.64%.

The Board is mindful of the Proposed Renewal of Share Buy-Back Authority must not result in the number of CHGP shares which are in the hands of the public falling below 25% of the total listed shares of CHGP as required under Paragraph 8.02 of the Listing Requirements (“**Required Public Shareholdings Spread**”). The Board will ensure that the Company complies with the Required Public Shareholdings Spread at all times and shall not make the decision to buy back the CHGP Shares if the purchase would result in the Required Public Shareholdings Spread not being met.

2.7 Implication Relating to the Code

It is not intended for the Proposed Renewal of Share Buy-Back Authority to trigger the obligation to undertake a mandatory offer pursuant to the Code for any of its substantial shareholders and/or parties acting in concert with them. However, in the event an obligation to undertake a mandatory offer is to arise with respect to any parties resulting from the Proposed Renewal Share Buy-Back Authority, the relevant parties shall make the necessary application to the Securities Commission for a waiver to undertake a mandatory offer prior to such obligation being triggered.

2.8 Purchase, Resale, Transfer and Cancellation of Shares Made in Previous Twelve (12) Months

There were no purchase, resale, transfer and cancellation of shares made by CHGP in the previous twelve (12) months preceding the date of this Circular. As at LPD, the Company held a total of 700,000 treasury shares.

3. RATIONALE FOR THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The implementation of the Proposed Renewal of Share Buy-Back Authority is envisaged to benefit the Company and its shareholders as follows:

- (i) the Company is able to utilise its surplus financial resources more efficiently. If implemented, this may help to stabilise the supply and demand of the CHGP Shares traded on Bursa Securities and thereby support its fundamental value;
- (ii) the EPS of CHGP Shares and the return on equity of the Company is expected to improve as a result of a reduced share capital base;
- (iii) the Purchased CHGP Shares retained as treasury shares provide the Board with an option to resell the treasury shares at a higher price and generate capital gains for the Company;
- (iv) the Purchased CHGP Shares retained as treasury shares can be distributed as share dividends to the shareholders as a reward; and
- (v) the financial resources of the Company will increase if the Purchased CHGP Shares held as treasury shares are resold at prices higher than the purchase price.

4. EFFECTS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The effects of the Proposed Renewal of Share Buy-Back Authority on share capital, NA, working capital, earnings and shareholdings of Directors and Substantial Shareholders of the Company are set out below:

4.1 Number of Issued Shares

The effect of the Proposed Renewal of Share Buy-Back Authority on the total number of issued shares of the Company will depend on whether the Purchased CHGP Shares are cancelled or retained as treasury shares. The Proposed Renewal of Share Buy-Back Authority will result in a reduction of the total number of issued shares of the Company if the Purchased CHGP Shares are cancelled.

Based on the Company's total number of issued shares as at LPD, the effect of the Proposed Renewal of Share Buy-Back Authority, assuming that all the Purchased CHGP Shares will be cancelled, are as follows:

	No. of shares as at LPD	After the Proposed Renewal of Share Buy-Back Authority	
		Minimum Scenario	Maximum Scenario
Total number of issued Shares	498,009,456	498,009,456	498,009,456
Assuming full conversion of Warrants	-	-	24,521,544
Enlarged total number of issued Shares	498,009,456	498,009,456	522,531,000

Treasury Shares as at the LPD	700,000	700,000	700,000
Maximum no. of Shares that may be purchased and cancelled pursuant to the Proposed Renewal of Share Buy-Back Authority (assuming all Purchased CHGP Shares are fully cancelled)	-	49,100,945	51,553,100
Resultant number of CHGP Shares	497,309,456	448,208,511	470,277,900

However, the Proposed Renewal of Share Buy-Back Authority will have no effect on the total number of issued shares of the Company if all the Purchased CHGP Shares are to be retained as treasury shares, resold or distributed to the shareholders.

4.2 Net assets attributable to ordinary equity holders of CHGP

When the Company purchases its own shares, regardless of whether they are retained as treasury shares or subsequently cancelled, the NA per Share of CHGP Group will decrease if the cost per Share purchased exceeds the NA per Share of CHGP Group at the relevant point in time. However, if the cost per Share purchased is below the NA per Share of CHGP Group at the relevant point in time, the NA per Share of CHGP Group will increase.

In the case where the Purchased CHGP Shares are treated as treasury shares and subsequently resold on Bursa Securities, the NA per Share of CHGP Group upon the resale will increase if the Company realises a gain from the resale and vice-versa. If the treasury shares are distributed as share dividends, the NA of CHGP Group will decrease by the cost of the treasury shares at the point of purchase.

4.3 Working Capital

The Proposed Renewal of Share Buy-Back Authority, as and when implemented, will reduce the working capital and cash flow of CHGP Group, the quantum of which depends on, amongst others, the number of CHGP Shares purchased and the purchase price(s) of the CHGP Shares.

For CHGP Shares so purchased which are kept as treasury shares, upon their resale, the working capital and the cash flow of the Group will increase upon the receipt of the proceeds of the resale. The quantum of the increase in the working capital and cash flow will depend on the actual selling price(s) of the treasury shares and the number of treasury shares resold.

4.4 Earnings

The effects of the Proposed Renewal of Share Buy-Back Authority on the earnings of CHGP Group are dependent on the number CHGP Shares purchased, the effective funding cost to finance such purchases and/or loss in interest income to CHGP Group if internally generated funds are utilised. Further, the purchase of the CHGP Shares will result in a lower number of shares being taken into account for purposes of EPS computation.

4.5 Dividends

Assuming the Proposed Renewal of Share Buy-Back Authority is implemented in full, it may reduce the amount of distributable reserves available for payment of dividend as the funds to be allocated for the purchase of the Shares are utilised from the Company's retained earnings account.

THE REST OF THIS PAGE IS INTENTIONALLY LEFT BLANK

4.6 Directors' and Substantial Shareholders' Shareholdings

The effect of the Proposed Renewal of Share Buy-Back Authority on the shareholdings of the Directors and the substantial shareholders of CHGP based on the Register of Directors' Shareholdings and the Register of Substantial Shareholders as at the LPD assuming the Proposed Renewal of Share Buy-Back Authority is undertaken in full by the Company, are as follows:
